## EDUCATION

---

**B.A. Psychology, summa cum laude, departmental honors**

Centenary College of Louisiana

5/2019

Shreveport, LA

- **Minor in Political Science**
- 

## RESEARCH EXPERIENCE

---

**“Like” me: How social inclusion vs. exclusion affects mental representations of one’s own face**

1/2018-4/2019

Shreveport, LA

- Study testing whether perceived inclusion or exclusion by peers on social media leads not only to a change in self-esteem, but also to a change in self-view, i.e., how we internalize our physical appearance.
- Honors Thesis

**Employee Selection: Using *g* to decrease race and gender discrimination**

9/2018-12/2018

Shreveport, LA

- Study testing whether the introduction of Miller Analogous Test (MAT) scores change participants’ decision process in hiring, and whether this change increases the likelihood that qualified minority candidates get hired.
- Independent study component of Senior Seminar class.

**The effectiveness of various learning modalities on foreign language word recognition**

1/2018-5/2018

Shreveport, LA

- Pilot data collection and research proposal on the effectiveness of various learning modalities on foreign language word recognition.
- Both a group empirical study component of Brain & Language class and independent work.

**The relationship between heartrate, musical tempo, and memory**

1/2017-5/2017

Shreveport, LA

- Designed and conducted an empirical study on the effects of physical exercise and music tempo on long-term memory.
- Group empirical study component of Research Methods class.

**Cognitive dissonance and perception**

1/2017-5/2017

Shreveport, LA

- Designed and conducted a study on how our perceptual system can influence internal processes such as cognitive dissonance.
  - Independent empirical research component of Social Psychology class.
-
