Biofuels Mandates Around the World: 2016

Who mandates what in biofuels? 64 countries have targets or mandates — but how much where, and when, and what? In Florida, the Digest today releases its annual review of biofuels mandates and targets around the world, looking at the state of biofuels mandates in 64 countries. The bulk of mandates continue to come from the EU-27, where the Renewable Energy Directive (RED) specified a 10...
