

## 27 January 2016

## SENT TO LSU AGCENTER/LOUISIANA FOREST PRODUCTS DEVELOPMENT CENTER - FOREST SECTOR / FORESTY PRODUCTS INTEREST GROUP

## China's timber and forest products imports expected to increase by 60 million cubic meters over the next decade

Despite slower growth in China's overall economy, the nation's high timber deficit will sustain growth in its already high import volumes of wood fiber.

Richard P. Vlosky, Ph.D.
