2. India's Rising Prowess in Bioeconomy

The Digest's 2019 Multi-Slide Guide to Praj's Perspective from India

Product, processes and partnerships are what it's all about [in India right now with the country's latest bioenergy policies and growing activity in the bioeconomy.](#)

Pramod Chaudhari, Executive Chairman at Praj Industries gave this illuminating presentation at ABLC 2019 in Washington, D.C. on how exactly India is moving forward in the bioeconomy, the country's perspective on ethanol, their bioenergy policy and SATAT policy, some of the newer feedstocks for biofuels they are seeing, the Praj Matrix and future ready technologies, and more - [and it's ready for you now at The Digest online.](#)

Richard P. Vlosky, Ph.D.

Director, Louisiana Forest Products Development Center

Crosby Land & Resources Endowed Professor of Forest Sector Business Development

Room 227, School of Renewable Natural Resources
