### Hardwood Review eGlobal - English Edition

---

Please find the attached issue of the *Hardwood Review eGlobal-Europe*, brought to you by the producers of the *Weekly Hardwood Review* and *Hardwood Review Global*. For 35 years, we have tracked and reported on global markets for North American hardwood lumber and hardwood products. The *Hardwood Review eGlobal* is designed to educate international buyers about North American hardwood lumber species and market trends.

In this European edition, you will find market commentary and trade statistics regarding markets in 45 countries in Western Europe, Eastern Europe and the former Soviet Union. In addition, price trends are included for those North American hardwood species most exported into the region. We trust you will find this publication invaluable to your business. It will be delivered to you free of charge.

Do not miss the opportunity to contact any of the advertisers listed in these pages. They are high quality suppliers of North American hardwood lumber and products. If you prefer searching and sourcing for lumber online, please contact us directly. We have a free online service that allows you to search the real-time inventories of leading North American suppliers.

Please feel free to forward the *Hardwood Review eGlobal-Europe* to anyone you wish, or invite others to contact us so that we can send it to them directly.
