## READING GROUPS IN PHILOSOPHY, POLITICS, AND ECONOMICS

“Philosophy, Politics, and Economics” form a cluster of fields well-known from an Oxford degree with that name and increasingly popular in the United States. Student-led reading groups on books that are central to the PPE tradition began last fall. If you missed out then, you can still join us for the spring—**we’ll supply the books (free of charge!)**, you agree to read and discuss.

Attend our organizational meeting:

- Monday, February 20, 5:00 pm—West Laville Library
